Statement of significance:

This tree fulfils the criteria of:

- Aesthetic Value
- Curious growth habit

This large, mature English Oak on the perimeter of the school playground has a high visual presence from the public realm. It is a prominent and striking feature within the local landscape that makes a major contribution to the neighbourhood character. It is one of the oldest trees on the school grounds and provides substantial amenity to the school children and the wider community.

The tree has a large, spreading, and asymmetric canopy shape with a major lateral limb growing out low to the ground providing a high degree of visual interest.
