

GLEN EIRA
CITY COUNCIL

MEDIA RELEASE

Monday 30 September 2019

What's your vision for Glen Eira?

Have you ever stopped to think what Glen Eira will look like in the future?

Glen Eira City Council is developing a Community Vision and is keen to hear about local values, needs and aspirations.

Over the next five months, we want to hear your views on what the future of Glen Eira could and should look like. This will help us understand:

- what you like about Glen Eira and what you think needs to change;
- where you see yourself living, working, spending your social time; and
- how you would like the environment you spend your time in to look and feel.

Commencing in October, we have a broad range of activities proposed to help us connect with you, including pop-up engagements in community locations and at key events, surveys and workshops.
