

An Activity created by Glen Eira City Council and Anna Walker

## All Aboard!

### Materials

Milk carton

Small piece of cardboard

Ruler

Black marker

Scissors

Paint and brush

White paper

Coloured pencils

Glue + a stapler or masking tape

String

### Step 1

Rule a line along the side length of the carton

The line must be in the middle of the side

(measure 3.5cm from edge)

Cut around the whole carton so that you have two pieces.

A= boat base B=cabin

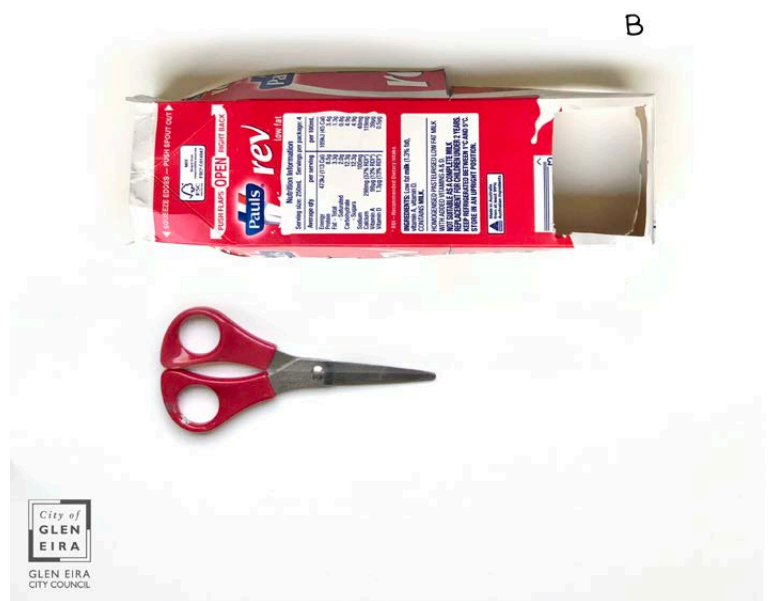

## Step 2

Measure 9cm from base of carton on piece B, and cut a slit, this will enable you to fold the cabin into a right angle later on.

## Step 3

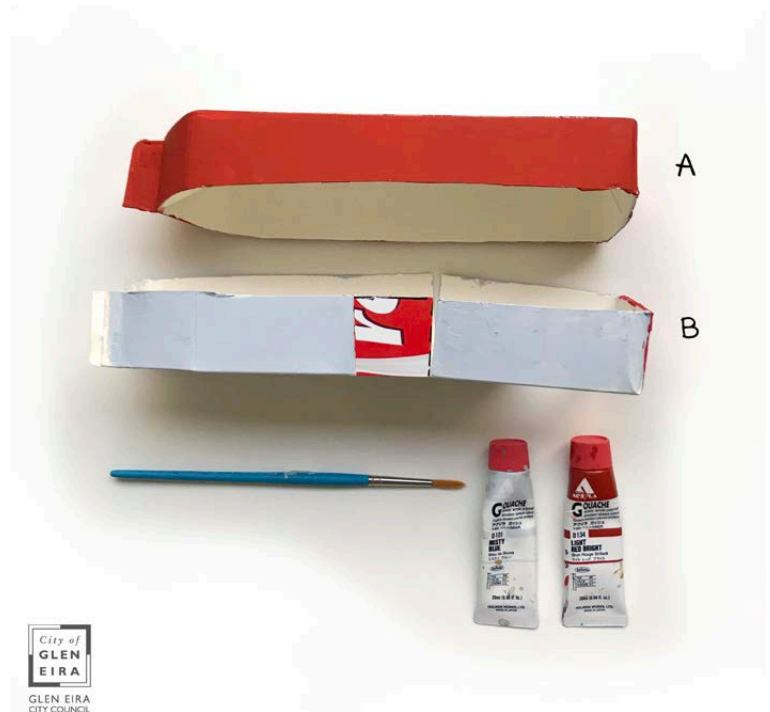

Cut a hole for a cabin window!

## Step 4

Paint the base of the boat.

Paint the cabin.

### Step 5

Fold the cabin at a right angle and use a staple or masking tape to hold the shape.

Cut a narrow long rectangle from some firm cardboard.

Cut a tiny slit in the roof of the cabin and push the cardboard pole in a little way.

### Step 6

Give your boat a name.

### Step 7

Invite some friends to join you on the voyage. All aboard!
