This healthy, mature Pin Oak is the largest tree on either public or private lands along the streetscape of Neerim Road from Koornang Rd to Murrumbeena Rd. It is uniquely located in the front garden or a corner block that is the largest privately owned open space along this section of the road and is operating as a support facility.

The tree has a well-formed, spreading canopy with good foliage density and a high degree of visual impact on the public realm. It provides substantial canopy coverage over the road and makes a major contribution to the local landscape. This tree provides amenity to the wider community.
