Statement of significance:

This tree fulfils the criteria of:

- Aesthetic value

This large, healthy and mature Algerian Oak is the largest private tree in the vicinity and makes a major contribution to the local landscape. Although located at the rear of a private property, the tree has significant visual presence from the public realm along 2 street frontages and provides substantial canopy coverage over the private open space of 4 properties.

This tree makes a major contribution to the local landscape and neighbourhood character, providing substantial amenity to the wider community.
