

Water through time: Booran Reserve

Level:

3–4

Curriculum focus:Historical Concepts and Skills
Continuity and change
Identify and describe continuity
and change over time in the local
community, region or state and as
a result of the effects of European
exploration (VCHHC069)

Historical Concepts and Skills Cause and effect Identify and explain the causes and effects of European settlement and exploration (VCHHC070)

Historical Knowledge Community remembrance & celebration The significance of Country and Place to Aboriginal and Torres Strait Islander peoples who belong to a local area (VCHHK072)

Learning outcome:

Students understand the importance of water to Traditional Owners and can identify the ways in which water was used in the past.

Students understand how the natural landscape and Traditional Owners were impacted by colonisation.

What's included:

- Activities
- Discussion questions
- Further resources

Activities

Activity one

Watch the video <u>Water through Time: Booran Reserve</u> Pause and discuss the video as needed.

Discussion questions

- What does Booran Reserve tell us about how our Traditional Owners used water?
- How is this different to how European settlers used the water?

Activity two

• Watch the Tiddalik the Frog story as told by Museums Victoria.

Discussion Questions:

- What happens in the Tiddalik story?
- What happened when Tiddalik took all the water?
- What is important to remember about our environment?
